Stainless Steel Mobile Boot Rack - RC101008

MATERIAL CONSTRUCTION:

We've constructed this Boot Rack from heavy duty 1" square T-304 Stainless Steel tubing. It holds 4 pair of boots per level and has Six Levels, for a total capacity of 24 pairs of boots. Boot supports posts are on 5" centers. Constructed from 100% T-304 Stainless Steel - Corrosion Resistant and fully washable, it has a glass bead blast smooth finish. It is equipped with 4" Stainless Steel / White Polyolefin casters. (2 swivel and 2 rigid)
