

Sterilizers Knife & Cleaver

Our Stainless Steel Knife and Cleaver Sterilizer boxes are commonly used in food processing industry. We have designed it with a built-in flange to hang from the lavatory rim so the overflow lip channels excess water into lavatory bowl. Boxes are top opening and can be used with immersion heaters or steam lines.

Knife Sterilizer, No Hole SZ101001

AVAILABLE OPTIONS:

- » Available in a variety of sizes and models.
- » Models with hole and element guard for use with heating device.
- » Models with 1-1/4" NPT Coupling and element guard for use with heating device.

MATERIAL CONSTRUCTION:

Constructed with rustproof heavy gauge T-304 Stainless Steel, our boxes are fully welded for added strength. Welds are glass bead-blasted smooth.

Cleaver Sterilizer, No Hole SZ101005
