

Sterilizers Pan & Shovel

Pan & Shovel Sterilizer with Electric Coupling - SZ101015

Our Stainless Steel Pan & Shovel Sterilizer boxes are designed for use in food processing industry. The Pan & Shovel Sterilizer can be used for sterilizing pluck & viscera inspection pans as well as shovels and head loops. Features adjustable legs for leveling, sanitary rounded corners, a 1" overflow outlet on the side of unit and a drain in the bottom.

AVAILABLE OPTIONS:

» We offer two versions of this Stainless Steel Sterilizer, one with a Steam Connection and the other with an Electrical Heater coupling.

MATERIAL CONSTRUCTION:

Constructed with rustproof heavy gauge T-304 Stainless Steel, our boxes are fully welded for added strength. Welds are glass bead-blasted smooth.
