

Sterilizers Saw

Saw Sterilizer with Steam Coupling - SZ101012

Our Stainless Steel Saw Sterilizer boxes are designed for use in food processing industry. The Saw Sterilizer is produced in three sizes. **Model B** - for use with "L" type on-the-rail beef breastbone openers and with hog breastbone openers, air or electric. **Model A** - is for use with all other saws on the floor. **Model AH** - is for use with platforms. All units feature adjustable legs for leveling, sanitary rounded corners, a 1" overflow outlet on the side of unit as well as a drain in the bottom.

AVAILABLE OPTIONS:

» **Model A** - is offered in two versions, one with a Steam Connection and the other with an Electric emersion style heater with element guard.

MATERIAL CONSTRUCTION:

Constructed with rustproof heavy gauge T-304 Stainless Steel, our boxes are fully welded for added strength. Welds are glass bead-blasted smooth.
