

Stand-Alone Tables

Model shown: TB101161

Model shown: TB101127

These Stainless Steel Table are designed to be used in food preparation facilities, kitchens and restaurants. Their heavy-duty all welded construction makes them ideal as stand-alone equipment stand or to be placed where additional work space is needed.

MATERIAL CONSTRUCTION:

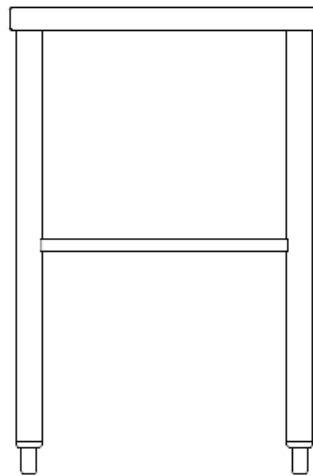

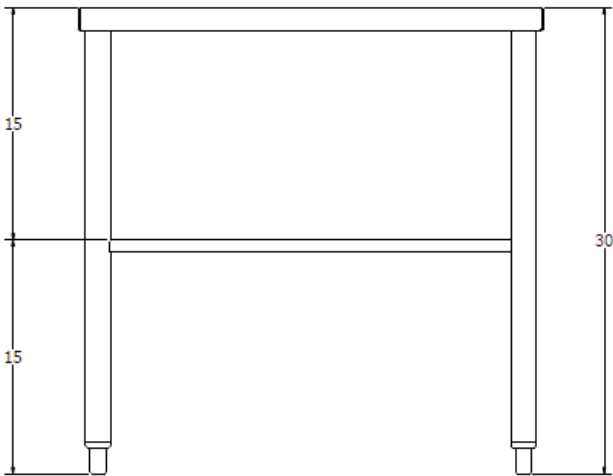

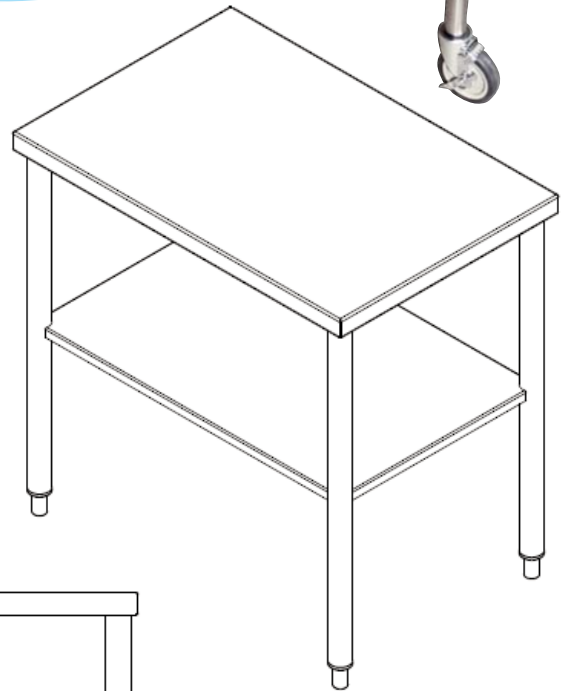

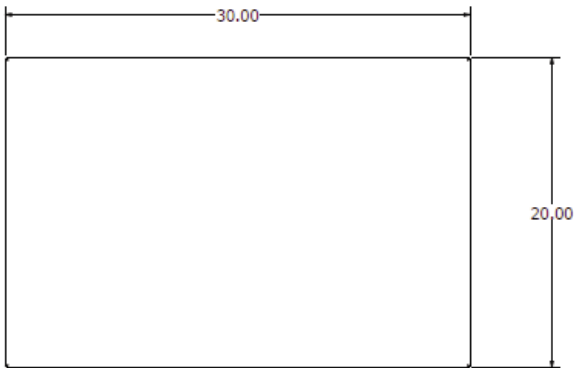

Choose from two standard sizes; the 20" x 30" or 20" x 24" work surfaces, they are fabricated from heavy-duty 14 gauge T-304 Stainless steel. Features a full size middle storage shelf and all welded construction. This unit is suitable for wet or harsh environments and is easy to clean. It is equipped with adjustable bullet style feet for easy leveling and will arrive fully assembled.

AVAILABLE OPTIONS INCLUDE:

- » Heavier gauge material.
- » Different dimensions.
- » 5" Casters for mobility.
