

Dispensers Glove Box

Designed for use in the food, medical, pharmaceutical or where ever sterile gloves are dispensed. These Glove Box Holders are manufactured from T-304 stainless steel which is easy to clean and disinfect and they accommodates most glove box sizes. These dispensers feature a reinforced rim that also allows for easy refilling, making restocking the gloves quick and hassle free. The dispensers design allows it to be mounted either vertically or horizontally and provides a convenient, simple storage solution for glove boxes. Holders are available in Single box, Dual Box, Triple Box or Quad Box design.

MATERIAL CONSTRUCTION:

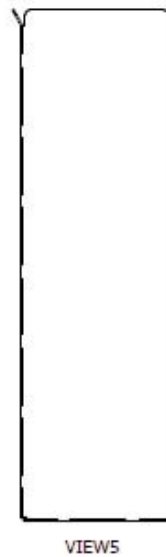

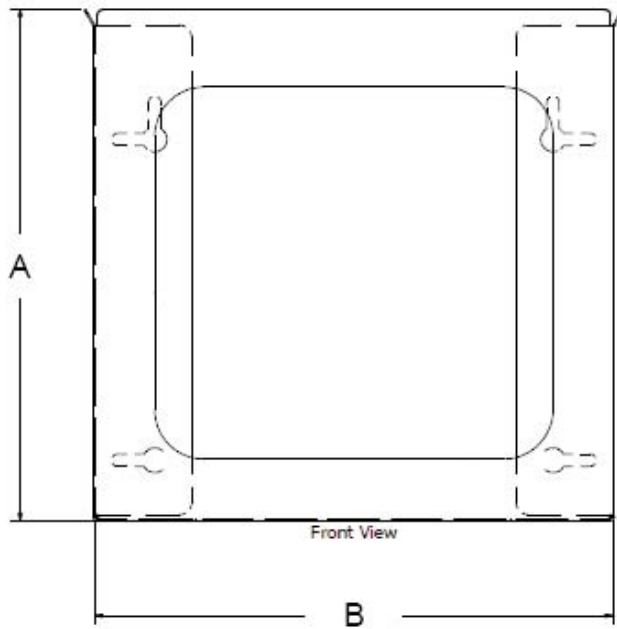

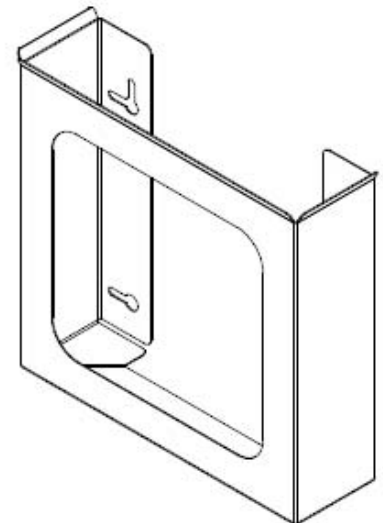

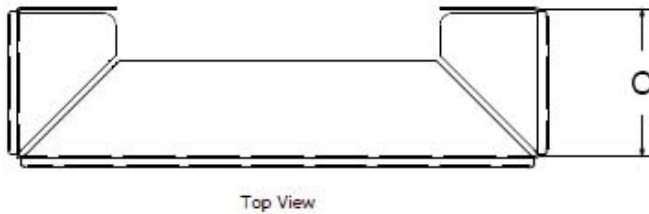

Our Glove Box Dispensers are manufactured with 20 gauge T-304 Stainless Steel which allows it to be wiped clean with soap and water or hospital sanitizer. Brushed stainless steel finish matches any decor. Open design allows for easy glove identification. Laser cut keyhole slots on back of each stainless glove box holder allow mounting in vertical or horizontal position (mounting hardware not included).

AVAILABLE OPTIONS INCLUDE:
